

Hawaii FSC Volunteers Acknowledgement Form

Each Hawaii FSC **active skater*** is expected to **provide at least ten (10) hours of volunteer time**** each membership year. A club can meet its purposes and conduct the approved activities only as well as its members volunteer to make those things happen. Volunteer time also may be fulfilled by other family members or by friends as arranged by the member. At the end of this next membership year each active skater who does not fulfill the required minimum 10 volunteer hours will be assessed \$10 per hour short, which fee must be paid before membership will be renewed. Active skaters who prefer not to volunteer may opt out at membership renewal time by paying the \$100 fee (applies to each active skater in a family).

* An "active skater" is a Hawaii FSC member who participates in Skate Aloha or other qualifying, non-qualifying or ISI competitions, tests, Skate Nights or private lessons.

** The following categories of members are considered to have met the volunteer requirements by virtue of their position: Officers/Board, Volunteer Coordinator, Membership Chair, Hospitality Chair, Test Chair, Competition Chair/Co-Chair, Rummage Sale Chair, coaches and USFSA judges. Also Skate Aloha **leader** functions not done by the Competition Chairs: Practice Ice, Aloha Bags, Dinner, Pen Pal, T-Shirts, Program, or other leader positions proposed by the Competition Chair and approved by the Board.

The recurring events where volunteers are needed include:

- Flower and Bake Sales during the spring and winter Shows, and Hawaiian Open competition.***
- Skate Night several times each year
- Rummage Sale four times each year
- Award Ceremony each year
- Skate Aloha competition in March each year (many jobs over a two-to-four day period – this is when most of the manpower is needed).

We also need volunteers to take charge of specific activities, to plan and manage that activity and to supervise those who are helping.

*** Volunteers are needed to donate saleable food items, whether homemade (2 hours credit) or purchased (1 hour credit).

We also very much appreciate "non-active skater" members who provided volunteer support.
