<sup>1</sup> Time is approximate. Bus departs as soon as it is full

<sup>2</sup> This is a second bus. It departs when all passengers are on board after close of event.

<sup>3</sup> This is a second bus with priority for competition officials.

<sup>4</sup> Final bus departs when skaters from last scheduled practice ice are on board

This schedule reflects one 55-passenger bus shuttling between the official hotel and the rink, with a second bus inserted at four key points to handle expected surge. Due to the travel distance between the official hotel and the rink and the very heavy traffic, particularly in the mornings and late afternoons, the bus is scheduled as tightly as is feasible.

Please keep these phone numbers with you in the unfortunate circumstance that you miss a bus:  
The Cab – 422-2222      Charley's Taxi – 531-1333      City Taxi – 524-2121.

When the bus and unofficial practice were scheduled for Tuesday, it was recognized that skaters on the midday sessions couldn't get back to the hotel to change and still make it to the rink in time for the draw. To minimize this impact, only skaters who indicated that they were renting a car were assigned to the 12:00 and 12:45 sessions. Skaters on later sessions would remain at the rink for the Welcome Dinner and draw.

Plan your use of the shuttle bus carefully. With Honolulu traffic during some parts of the day, it can take 45 minutes to an hour to get from the official hotel to the rink. If an accident occurs along your route, traffic slows down even more. Remember to allow enough time for this.

A surge of passengers is expected on Wednesday and Thursday for the start of competition events. The 12:00pm bus was added to handle the extra with priority given to the competition officials. But if everyone plans to use the 12:00 pm bus, some may have to wait for the 1:00pm bus.
